Sir,

In reply to your letter No. 98/32 dated 27th February 1884 I have the honor to state that the pay of T. Vencataramanayya and others up to date of transfer in October to your Party amounted to Rs 56-4-2. The stoppages for sick with Rs ... in respect of a number of these men ~~amounted~~ came to Rs 28-4-10. The actual sum ~~that was~~ drawn in consequence in my bill for October was Rs 27-15-4. Your supplemental bill was for the whole amount Rs 56-4-2. On receipt of the same from you in January, I credited in my bill for that month ~~with~~ only the sum actually drawn in October as recovered from the parties concerned and returned to you the balance Rs 28-4-10 for refund in your bill the same being over drawn on their account. The Accountant General appears to have sent us his objection statement disallowing Rs 56-4-2 drawn by you apparently prior to the receipt of my bill for Permanent Establishment for January last on the score of which the refund of the sum in question has been debited ~~to~~ it along with a remark ~~leading him to understand~~ that it forms a part of the contents of your supplemental bill under objection. I believe therefore that he will be satisfied if you ~~and~~ refer him

[illegible]

him to ~~my~~ the bill in question ~~and~~ refunded in your February bill the balance Rs 28 – 4 – 10 ~~your~~ held by you ~~with the necessary remarks~~ —

As the necessary adjustments have been made by the submission of supplemental bills under the directions of the Controlling Officer, there was no necessity to address the Accountant General to introduce any alterations in my bill for October — {Vide [illegible] No: 3[illegible] dt. 2[illegible]

The sum of Rs 195 – 6 – 8 you refer to in para 5 of your letter is the stoppage of pay of T.
